SAGE Results for Silver Mesa School

2018 SAGE % Proficient

- Review of Silver Mesa’s Comprehensive School Improvement Plan (CSIP)
 - This year’s primary goal is focused on reading, writing, speaking and listening skills. There will be an emphasis on speaking and listening to develop students oral language, both expressive and receptive.
 - A second goal is targeted at increasing daily attendance; more to come at future meetings on this topic
- Digital Citizenship Week
 - October 8th through 12th (next week)
 - Nicole Martel, 1st grade teacher, is Silver Mesa’s coordinator. She shared a flyer on internet safety and digital citizenship. Of note, Canyons’s Information Technology Department utilizes several management systems that are focused on filtering content to ensure that students only have access to developmentally appropriate content at each school level.
