

Miss Fielding's Monday Minute

Dear Eagles,

It has been such a great year this year, and I want to thank all of our community for their support. I hope you enjoy the summer break, and I look forward to seeing everyone in August!

Dance Festival

We did a run-through of our Dance Festival today so the students could see all the dances. It lasts about 45-50 minutes. It starts at 9:00 on Tuesday, and you'll want to bring a camp chair or lawn chair to enjoy the show on the south playground. You'll see the cones blocking off the stage area. Here is the order of the grades:

4th grade—4 group dances about clouds/weather

2nd grade—4 group dances about the sun, moon, and earth

3rd grade—4 group dances from around the world

1st grade—2 group dances about winter and summer

Kindergarten—1 grade level dance from Peter Pan

5th grade—1 grade level dance from the 50's

Lunch Balances

Tomorrow is our last day to serve lunch to the students. Please make sure your child doesn't have a negative lunch balance.

Summer Reading and Math Resources

We are so excited to have gotten many requests for how to log into Moby Max, Reflex Math, and other resources for your child to use this summer. Just to refresh everyone's memory, attached are some instructions for how to log into Clever, which will take you to all the sites. Your child should know his or her student number. If not, you can find it on Skyward. [How to Log into Educational Web Sites .docx](#)

Part-time Positions at Silver Mesa

We are on the lookout for someone with high energy, a positive attitude, and a love of kids who would like to join our team and be a Playworks Coach next school year. It's possible there will be other positions available as

well. If you are interested in some part-time work at our school, please contact us.

PTA Notes

Thank you everyone for all your help this year. It's been fantastic! Today, every student will be bringing home a free book thanks to the generous sales at our two book fairs this year. Happy reading!
