

Miss Fielding's Monday Minute

Dear Eagles,

Welcome back! I hope the break was restful and enjoyable for everyone.

This month we have our school-wide DIBELs testing that occurs three times a year. Students will take short assessments in both math and reading to track progress and help us know where supports are needed. We plan to share the reports of these assessments the following month during parent-teacher conferences.

Science Fair

Be sure to mark your calendars for the Science Fair and STEAM Night coming up on Jan. 23rd. Information packets are available on the [PTA website](#) for those who are doing a project.

Paper towel and wrapping paper rolls

We are still collecting cardboard tubes. Thanks!
