

## Miss Fielding's Monday Minute

### Dear Eagles,

It looked a little crazy at school on Friday! Thanks for everyone who participated in our Spirit Day with Crazy Hair.

### Emergency Preparedness

We practice safety drills every month at Silver Mesa. Usually it's a Fire Drill, which we did at the beginning of September. Next Monday, October 16<sup>th</sup>, we will be practicing a Lockdown Drill. This practice is to help us be prepared in the unlikely event that an intruder enters our building. We gather all students into their classrooms and lock the doors. We cover the window on the door and remain quiet. Feel free to talk with your child about safety drills and perhaps practice one at home.

### PTA News

Spirit wear orders will be ready soon! We are hoping in a week or two and will be sending them home soon!

Thank you Suzie Olsen for doing the Student Directories and getting them out!
