

Dear Eagles,

Thank you very much for your generous support of our jogathon fundraiser. It was a great day, and we raised over \$14,000 for technology for our school! That's so impressive! Thank you for all who supported the event with volunteering hours, donating funds, and cheering on our students. We love our community!

Field Day June 4

The students will spend the majority of their day outside on this day. Please consider applying sunscreen before school, sending a water bottle with your child, and a hat for the day. There will be some water activities, so wearing clothing that can get wet is great. Also, students will be eating sack lunches that day. You can send a lunch from home, or students can get a school sack lunch.

Kindergarten Assessment Signups

Don't forget to sign up for a time for your kindergarten student to meet with their teacher. The directions are at the end of this email.

1- Grade Program

Congratulations to first grade on a wonderful program! They did a great job, and it was fun to see them perform.
