Lisa Coleman	2 nd grade Teacher	X

Agenda items:

1- Review last meeting's notes and give final approval:

A couple of changes were suggested for last-months minutes. The term "push in" intervention means a reading intervention brought into the classroom, rather than pulling students out of the classroom. Also, a member suggested adding the sentence "the cafeteria schedule is being reviewed" to the Cafeteria item.

2. Community Survey.

There were three items on the Community Survey that were scored lower than expected. The items were:

- I am pleased with how my child is learning
- The school keeps me informed about my child
- The school contributes to the emotional well-being of my child

A discussion was held about these items. Some members reported talking with other parents in the community for feedback. There was some discussion whether the survey items needed to be clarified. There was also a discussion about methods for communicating with parents.

3. Jog a Thon.

Maria shared that there will be a water stop on the Jog a Thon route. There will also be water bottles at the end of the route.

James had several signs printed for the Jog a Thon. Derek will assist putting up signs. Maria will get sticks for signs. The PTA will be directing traffic at the Jog a Thon.

Scott will make an arch for the beginning of the race.

Julie will put a reminder in the Monday Minutes to remind parents about the Jog a Thon.

Teachers will count the funds donated by children in their classes, then the funds will be counted a second time by the office staff.

4. School Happenings

The committee agreed that it is OK to say NO to soccer cleats in the school.

Julie reviewed the hiring that is in progress for the coming school year.

The Fall Back to School night will be Monday, August 21. This is a parents-only event. Scott will speak at the event to introduce the SCC.

An Open House for students will be scheduled on a separate day for students to come visit their classes and meet their teachers.
