

5th Grade Supply Wishlist 2020-21

In an effort to minimize contact, we will be limiting supplies this year so fewer items get dropped on the floor or mixed up with other students' supplies. All supplies will need to have the student's name written on it so, if dropped, students can pick up their own supplies.

If possible, please purchase:

Two or More Masks Pencil Box, Handheld Pencil Sharpener and/or Mechanical Pencils, and a Folder.

The folder will be left in the student's backpack for work to take home. If you'd rather have your student place work into the backpack loose, then the folder is optional.

We will provide students with the following:

Pencils, Colored Pencils, Erasers, Expo Markers, Colored Folders, and Notebooks.

These items will remain at school and will be replenished throughout the school year.

Optional class supply items to be donated to the class:

Fine-tip Expo Markers, Mr. Clean Magic Erasers, Tissues, Baggies-All Sizes, Disposable Masks, Candy/Chocolate for Class Store (and teachers ☺), Any Items for Class Store

Sanitizer and cleaning supplies will be supplied by the district due to the specialized solution needed for schools, so there is no need to purchase hand sanitizer or Clorox/Lysol wipes.
