

Kindergarten Supplies 2020-21

In an effort to minimize contact, we will be limiting supplies this year so fewer items get dropped on the floor or mixed up with other students' supplies. **All supplies will need to have the student's name written on them** so, if dropped, students can pick up their own supplies.

If possible, please send the following items with your student:

- 2 or more masks/face coverings
- Pencil box
- Pencil sharpener (with both small and large holes if possible)
- 2 Fine-tip Expo markers

We will provide students with the following:

- Pencils
- Erasers
- Crayons
- Markers
- Notebooks

Optional class supplies to be donated:

- Disposable Masks
- Bottled Water (drinking fountains will be closed)
- Paper Towels
- Fine-tip Expo markers
- Baggies of all sizes
- Novelty toys for class store

Do not send the following items (these will be provided by the district):

- Sanitizer or cleaning supplies
- Clorox/Lysol wipes
