

Second Grade Supply List 2020-2021

If possible, please purchase*:

-Two or more masks

(Ideally we'd like the kids to come to school each day in a clean mask and have 2 extra masks in their tote tray in case their mask gets soiled. Depending on your laundry schedule, this may mean they need at least 7 masks.)

-Standard-sized pencil box to fit in tote tray

-Handheld pencil sharpener and/or mechanical pencils

-Folder *(The folder will be left in the student's backpack for work to take home.)*

-Mrs. Vincent and Mrs. Coleman would also like each child to have a full size inexpensive (new or used) **yoga mat** to be used for working outside (it will keep your child dry from wet grass as well as help them stay 6-feet apart.) This will help us give kids a break from their mask.

*Any supply that is not purchased will be provided.

We will provide students with the following:

Crayons, pencils, colored pencils, erasers, Expo markers, notebooks, reusable water bottle (drinking fountains will be closed)

These items will remain at school and will be replenished throughout the school year.

Optional class supply items to be donated to the class:

Fine-tip Expo markers (black), chisel-tip Expo markers (black), Tissues, Zip top baggies -all sizes, disposable masks, small individually wrapped candies (example: Starburst, Hi-Chews, Jolly Ranchers, Life Savers, etc)

Sanitizer and cleaning supplies will be supplied by the district due to the specialized solution needed for schools, so there is no need to purchase hand sanitizer or Clorox/Lysol wipes.
