

Silver Mesa Elementary School: End of Year LAND Trust Summary Report

*Silver Mesa Elementary School Community Council was allocated
\$78,300 of LAND Trust funds for the 2019 - 20 school year.*

Reading	Math	Cost
4 Intervention Assistants	2 Intervention Assistants	\$28,000
Substitutes		\$1,700
Teacher stipends and registration costs for PD		\$3,400
Technology equipment—\$23,500 Technology Software—\$12,400		\$35,900
Carry Over for the following year		\$9,300
		= \$78,300

Silver Mesa Elementary School Community Council determined that funds should be spent on reading, math, and technology. To increase reading and math achievement, students were identified as performing below benchmark on Acadience or Reading Inventory testing. Students identified received intervention support. Most of the allocated School Land Trust funding, **\$28,000**, was used to hire four assistants to provide reading interventions and two assistants to provide math interventions. A total of **\$1,700** was spent on substitutes, and **\$3,400** for stipends and registration costs to provide teachers additional professional development. Lexia and DreamBox, literacy and math online programs, costing **\$12,400**, were purchased to be in used in skill-based instruction and literacy practice stations. Chromebooks and iPads cost **\$23,500**. Silver Mesa is 1:1 with iPads and Chromebooks across grades 1-5 and 2:1 in kindergarten. The Silver Mesa SCC sees our LAND Trust Plan resources as a crucial component of our student achievement. *It also helps that Silver Mesa teachers are simply the BEST!*

Silver Mesa Elementary School: End of Year Land Trust Plan Summary Report

Silver Mesa's Teacher Student Success Plan Goals for 2020 - 2021

ENGLISH LANGUAGE ARTS

- By May of 2020, 83% of students in K-5 will demonstrate mastery of core standards in English Language Arts as measured by the Acadience assessment (k-3) and the RI assessment (4-5). In winter of 2020, 77.79% of students met reading benchmarks.

MATHEMATICS

- By May of 2021, 80% of students in K-5 will demonstrate mastery of core standards in Math as measured by the DIBELSnet assessments. In winter of 2019, 75% of students in K-5 were proficient in Acadience math assessments.

The School Community Council meets virtually on the **Wednesdays** listed to the right at **7:15 a.m.** The public is invited to attend. Agendas and minutes are posted on our school website:
