## KINDERGARTEN REGISTRATION 2021 - 2022

Dear Parents,

It is important that we obtain an accurate list of all children qualifying for kindergarten in the Canyon School District for the 2021-2022 school year. If you have a child that will be five years of age ***on*** or ***before*** September 1, 2021, the child qualifies for next year's kindergarten program. State law requires that all school districts in Utah abide by the same September 1st entrance cut-off date.

If you know of a neighbor that has a qualifying kindergarten child, please share this information with them and tell them to call the school and register their kindergarten child.

If you live outside of Silver Mesa Elementary boundaries, you are welcome and encouraged to register as well. Open Enrollment for out of boundary students ends on February 19, 2021. Permit requests after this date will be added to a waiting list and accepted upon availability. The [Online Permit Portal](https://www.canyonsdistrict.org) is available through [Canyonsdistrict.org](https://www.canyonsdistrict.org) website.

If your student qualifies for Kindergarten please fill out the District online New Student Registration. The instructions are included with this letter.

If your student is a New Kindergartener we will provide more information for Orientation next Spring.

If you have a question, please call the school at 801-826-9400.

Sincerely,

Julie Fielding,  
Principal
